

KitchenAid ARTISAN Power Plus Blender* 5KSB8270

- **Asymmetric stainless steel blade*****
Blends at 4 different angles to pull ingredients into the blending vortex for smooth, consistent and exceptional results
Allows for blending large and tough ingredients, like whole fruits and vegetables

- **Powerful 3.5 Peak HP Motor****
Powers and blends quickly and easily through tough ingredients, like frozen fruits and fibrous, nutrient-dense vegetables, for smoother results
- **4 Pre-set Adapti-Blend programs: smoothies, juices, soups, and self-cleaning cycle**
For specific results and consistency, creating an ideal blend
For easy clean-up and convenience
- **Precision power dial and Pulse/Boost**
Offers continuous variable speed control from 1-11, from low to high speeds, to meet all recipe's specific needs
- **2.6 L BPA-free dishwasher-safe graded Thermal Control Jar with Soft Touch removable handle grip, and vented lid with removable ingredient measuring cap**
Blends and heats soup in only 5 minutes
Designed and engineered to further optimize the blender's performance
Comfortable hold, easily measuring and adding ingredients while blending
- **Unique flex edge tamper**
For large or ultra thick blends
Pushes the ingredients into the blending vortex and scrapes the sides of the jar for even blending
- **Premium die-cast metal base, precision power dial and switches**
Sturdy, stable, durable and easy to clean

*When testing the actual blender power output at the blade using a dynamometer, a machine laboratories use to measure mechanical power, this KitchenAid blender with its heavy duty motor and advanced motor control board, produces more power than the leading competitors.

**Please see the Use and Care Guide for more details regarding blender use and performance.

***Patented blade in U.K. and Germany

STANDARD ACCESSORIES

2.6 L BPA-free graded Thermal Control Jar with Soft Touch removable handle grip

Heats soups and sauces in only 5 minutes and retain hot temperature longer.

The beveled corners allow for clean pouring from 3 sides.

Dual wall jar: marked capacity is 1.65 L.

The removable silicone handle grip comfortably holds and controls the jar.

Dishwasher-safe.

Removable silicone stabilizer jar pad

Keeps the blender jar securely on the base for added stability.

Dishwasher-safe.

Asymmetric stainless steel blade***

Sharpened and precisely angled to optimize power and blend performance.

Blends at 4 different angles.

3 mm thick hardened stainless steel blade that spins at 250 mph.

Dishwasher-safe.

Secure, vented lid with ingredient measuring cap

Fits securely on the jar, minimizing spills when in use.

The lid is made out of silicon and is easy to remove and to clean. Solid core prevents warping.

It features a vent for blending hot soups and a die-cast metal ingredient cap for measuring and adding ingredients during blending.

Dishwasher-safe.

Flex edge tamper

For large or ultra-thick blends.

Made out of plastic and rubber.

Dishwasher-safe.
